Active Adults Marlins Game Field Trip

CUTLER BAY, Fla. – July 27, 2018 – On Tuesday, July 24, 2018, a vivacious group of twenty (20) Cutler Bay Active Adults boarded a charter bus and headed to Marlins Park to enjoy the exciting Miami Marlins vs. Atlanta Braves game. The group left the Town Center at approximately 10:30 am and made their way to Marlins Park. This trip is a part of a titillating series of Active Adult Activities coordinated by the Towns' Parks and Recreation Department.

The Active Adult field trip was a free event that included transportation to and from Marlins Park, a delicious lunch, and lower level seat tickets to enjoy the game. As if things could get any better, the Marlins beat the Braves with a final score of 9-3! It was very evident by all the cheers and bright smiles that the group had a wonderful time!

“The Town continues to be committed to providing engaging activities for our Active Adult community. The Town’s Parks & Recreation Department has done a phenomenal job at coordinating a diverse range of activities geared towards Active Adults. The Town has and will continue to strive to provide opportunities for our residents to come together, feel engaged, and have a great time with one another” Stated Mayor Peggy R. Bell.

As part of our Active Adult calendar for the month of August, the Town will be offering an Active Adults luncheon at Sandbar Sports Grill on August 7 and an Intergenerational Connections presentation on August 15 at Cutler Bay Town Center. In October, the Town will be holding its

5th Annual Town of Cutler Bay Senior Games, which is sanctioned by the Florida Sports Foundation.
