Town of Cutler Bay Movie Night April 1, 2016 featuring the “Minions”

CUTLER BAY, FL April 8, 2016 – On Friday, April 1, 2016 the Town hosted a fun-filled movie night under the stars for the entire family. Approximately 200 residents came out with their blankets and lawn chairs to enjoy the popular movie the “Minions”. In addition to the delightful movie families enjoyed complimentary pizza, cotton candy, popcorn and drinks during the feature presentation.

The Town’s Police Department’s Neighborhood Resource Unit distributed goodies, promoted personal safety, and presented parents with the opportunity to sign the Town’s Pledge Against Distracted Driving. “Movie Nights are very popular with our residents since families can come out and enjoy a nice Friday night together. Additionally, April is Distracted Driving Awareness Month. This event is one of several outreach activities that the Town is hosting during this month in an effort to inform as many residents as possible of the Town’s campaign against texting while driving” stated Town Manager Rafael Casals.

In addition to the Town’s Police Departments outreach information provided at the event, families were able to enjoy public service videos about the environmental impact of Stormwater Run-Off and a Distracted Driving Awareness video which was edited by students from Cutler Bay Senior High. Judging by the smiles on the children’s faces and the positive feedback from the adults, the “minions” movie night was quite the success. We look forward to

hosting more movie nights so the community can come together and enjoy family friendly activities throughout the year.

Come out and join us in celebrating our next event: Earth & Arbor Day on Saturday, April 16, 2016! The celebration will take place from 10 am to noon at Lakes by the Bay Park - 8551 SW 216 St. The Town will be planting trees, as tree planting is one of the most sustainable ways to positively affect the environment. We will also have guest speakers from the National Park Service, USDA, and other agencies providing important information about the environment.

For additional information regarding upcoming Special Events please visit the Town's website at www.cutlerbay-fl.gov or contact the Parks & Recreation Department at (305)234-4262.
