**Town of Cutler Bay and AARP Florida
Team-up for a Ghostbusters Pre-Screening Reception**

CUTLER BAY, FL July 27, 2016 – On Friday, July 15, 2016 the Town of Cutler Bay was proud to join the AARP Florida in hosting a free screening of the highly anticipated female cast remake of “Ghostbusters”. Thirty years after the original, the new “Ghostbusters” motion picture brings a fresh, modern take on the supernatural and ghosts starring Melissa McCarthy, Kristin Wiig, Leslie Jones, and Kate McKinnon.

Participants enjoyed an engaging pre-screening reception at the Cutler Bay Town Center prior to viewing the newly released film “Ghostbusters” at the Regal Southland Mall Stadium 16 Theater. The event was a great success, with over 270 older adults in attendance, including Cutler Bay Mayor Peggy R. Bell, County Commissioner Daniella Levine Cava and Town Council Member Sue Ellen Loyzelle. “As the Council Liaison for the Town’s Communities for a Lifetime Committee, we are always looking for opportunities to offer enjoyable activities to our residents while also raising awareness about valuable services available to them. We were happy to partner with AARP to enhance the Movies for older Adults series by sponsoring the reception and resource fair” stated Council Member Sue Ellen Loyzelle.

During the reception, participants mingled and discussed AARP and their initiatives; they also enjoyed complimentary pizza, cookies and refreshments. Members in attendance enjoyed learning more about AARP and the wonderful work they are doing in the Cutler Bay community. “The Town Council and staff are hard at work to further enhance our livable community status. We recently became the first community in South Florida to be accepted into the Network of Livable Communities by the AARP and the World Health Organization. Our residents have asked for enjoyable and informative activities for adults, and an event like this shows the community that we are listening” stated Mayor Peggy Bell.

Special thanks to AARP Florida for facilitating the opportunity to provide such wonderful events to our Town residents. AARP is a nonprofit, nonpartisan, social welfare organization with a membership of nearly 38 million that helps people turn their goals and dreams into real possibilities, strengthens communities and fights for the issues that matter most to families — such as health care, employment and income security, and protection from financial abuse.
