Town of Cutler Bay
Active Adult Marlins Game Field Trip

CUTLER BAY, FL July 29, 2016 – On Wednesday, July 27, 2016 the Parks & Recreation Department coordinated an exciting outing to Marlins Park for active adults within our community. The Active Adults field trip was a free event that included transportation to and from Marlins Park, lunch and a fun-filled day at the park to watch the Miami Marlins vs. Philadelphia Phillies game. Twenty-two residents left Cutler Bay Town Center around 10:30 am

for an entertaining, sunny afternoon at Marlins Park.

Participants enjoyed a complimentary lunch of their choice while enjoying the game and proudly cheered on their home team Marlins from their lower level seats. To make the afternoon even better, the Marlins were victorious against the Phillies, winning with a score of 11-1. Based on the loud cheers, and smiles, it was evident that the group had a wonderful time! This event was quite the success as the available spots filled very quickly, and the participants provided positive feedback.

“Yesterday was GREAT! I want to thank you all for arranging this, and making it a perfect day. It was very well coordinated, smoothly run, and the staff is fun and wonderful!” stated JoAnne Linardi, Town Resident.

For additional information regarding upcoming Special Events please visit the Town’s website at www.cutlerbay-fl.gov or contact the Parks & Recreation Department at (305) 234-4262.
