### **The Town of Cutler Bay's "Siempre Flamenco" Adult Field Trip**

CUTLER BAY, FL October 24, 2016 – On Wednesday, October 12, 2016 The Town of Cutler Bay partnered with the South Miami-Dade Cultural Arts Center (SMDCAC) to proudly offer Town Residents an intimate workshop and demonstration with the critically acclaimed *Siempre Flamenco* Dance Company. Company founders Paco and Celia Fonta spoke to the audience about the history of Flamenco and performed dances and songs from this beloved Spanish tradition.

This year, the Town began collaborating more closely with the SMDCAC to increase the number of affordable arts and cultural events offered to residents of all ages. The Town provided transportation for a small group of residents to attend this event that was offered free of charge by the SMDCAC. "The Cultural Arts Center brings world renowned artists to Cutler Bay. We have a wonderful opportunity to give our residents an up close and personal experience with these artists, and then provide them with tickets at a special rate to see select live performances" stated Mayor Peggy Bell.

With *Siempre Flamenco*, Paco and Celia Fonta presented an authentic Flamenco showcase dedicated to the preservation of the art of Flamenco through fresh and engaging performances. With an understanding and great appreciation for the depth of human emotion as being a timeless instrument that crosses all ethnic cultures, with the power to unite people through dance and music, the Fonta's presented a trilogy of guitar, song and dance to transcend the art of conversation through the interpreted language of Flamenco.

Residents are encouraged to visit the Town's website at [www.cutlerbay-fl.gov](http://www.cutlerbay-fl.gov) for future events at the South Miami-Dade Cultural Arts Center. Through the Town's website, residents are able to access special rates to attend the featured events.
