### **Town Hosts Movie Night Event Featuring “Moana”**

CUTLER BAY, FL May 15, 2017- On Friday May 12, 2017 the Town hosted a fun, family- friendly Movie Night featuring “Moana,” the sweeping story of a spirited young teenager who sets sail on a daring adventure to save the people of Maui. The second Movie Night of the year was held at Bel- Aire Park, where residents were greeted with colorful leis, and beach balls in theme with the tropical movie featured for the night.

Residents and neighbors enjoyed free pizza, soft drinks and snow cones provided by the Town as they enjoyed the film. Town partners Read Connigo also had a booth present at the event, offering residents and

visitors and opportunity to sign up to receive a free book through their literacy campaign. Read Connigo is a free bilingual literacy movement that promotes the distinct educational, social, and financial benefits of bilingualism. They provide parents, teachers and students free bilingual books to help them create a lifelong love of reading.

Vice Mayor Sue Ellen Loyzelle and Council Member Michael P. Callahan were in attendance at the screening of “Moana”. Vice Mayor Sue Ellen Loyzelle gave a special thanks to Florida City Gas for graciously sponsoring the second movie night and handed out flyers for the Town’s upcoming events prior to the commencement of the film.

“We have a fantastic partnership with Florida City Gas, and are grateful for their contributions and sponsorship of our Move Night Event. The Town’s Parks & Recreation Department always do a great job of bringing the community together with special events like this,” stated Town Manager Rafael G. Casals.

Families enjoyed public service videos about the environmental impact of Stormwater run-off which was edited by students from Cutler Bay Senior High School. “Judging by the smiles on the children’s faces and the positive feedback from the adults, the “Moana” movie night was quite the success. We look forward to hosting more movie nights so the community can come together and enjoy family friendly activities throughout the year” added Town Manager Rafael Casals.
