TIME: 7:00 PM – 9:00 PM

This is an official public Town Hall style meeting, with a less formal approach to allow residents to voice their concerns to the Council in a more comfortable setting. The Mayor and Town Council encourage all residents to seize this opportunity to speak with them and pose any questions they have.

The Mayor and Town Council strive to deliver quality service every day to make our Town an excellent place to live, work and play. We look forward to receiving feedback relating to services being provided by the Town and input on how services may be improved. The Town Council and Staff hope this meeting will be informational and enlightening for all participants.
