

The Town of Cutler Bay
cordially invites you to the
Franjo Road Roadway Improvements Project
Public Information Session

- Date:** Wednesday, May 29, 2024
- Time:** 6:00 p.m. - 6:45 p.m. **In-person presentation and virtual through Facebook Live**
6:45 p.m. - 8:00 p.m. **In-person one-on-one**
- Location:** Town of Cutler Bay
Town Center Council Chambers
10720 Caribbean Boulevard, Suite 115
- Presenters:** Town of Cutler Bay
Stantec Consulting Services, Inc.
- Purpose:** Public Information Session / Meet Town's Project Team

The Town is pleased to announce that the much-anticipated Franjo Road Roadway Improvements Project is tentatively scheduled to begin construction in June 2024.

On Wednesday, May 29, 2024, from 6:00 p.m. - 8:00 p.m., the public is invited to an Information Session offering an overview of the project scope and preliminary timelines. This project will positively impact public safety, enhance pedestrian mobility, improve function and flow transit, traffic calming and mitigate local flooding hazards as well as beautify the neighborhood with streetscape improvements.

You may participate in person at the Cutler Bay Town Council Chambers, or virtually through Facebook live at facebook.com/townofcutlerbay. If you are unable to attend the meeting or would prefer to send us your feedback in writing, you may email it to aquintero@cutlerbay-fl.gov.

The "open house" style session will provide affected homeowners the opportunity to better understand the project and discuss the construction process with the Town's project Team on a "one-on-one" basis.

We look forward to your attendance. For more information, please contact the Town's Public Works Department at (305) 234-4262 or email your comments to aquintero@cutlerbay-fl.gov.

Please see reverse side for additional project information

Franjo Road Roadway Improvement Project

TENTATIVE COMMENCEMENT: June 2024

ESTIMATED TIME OF COMPLETION: June 2026

PROJECT BACKGROUND: This project was identified in the Town of Cutler Bay Complete Streets Corridor Analysis Master Plan. The Town of Cutler Bay is primarily a pedestrian friendly community with a vast network of sidewalks. The goal of this project is to improve public safety, ease traffic congestion, enhance pedestrian mobility, improve function and flow of traffic and beautify the neighborhood with streetscape improvements.

The project strives to improve public safety, enhance pedestrian mobility, and provide a healthier community. For additional questions/comments, please contact the Town's Public Works Department at (305) 234-4262 or email your comments to aquintero@cutlerbay-fl.gov.
